WHERE: Hmmm— Here's the thing, we aren't actually holding an event.

It's a busy time of year and while we know it would be great fun,
we've decided to let you design your own evening and hold the most
spectacular non-event event you have ever *not* gone to!

Because this is a non-event event, more of what you spend will go to support the
important work of Lifebridge. Last year we moved nearly one person per week
out of homelessness and into housing, into a life more like what we know
and less like the pain and sadness of homelessness.

The fabulous auction will be held online.

You can see these unique items and place your bids by going to:

www.ebay.com/lifebridge

Thank you so much for your support.

I/we are delighted to be a part of the non-event event to support the important and valuable work of Lifebridge.

We'd like _____ non-tickets at \$50.00 a piece \$ _____

If we were going to be there we would purchase
_____ glasses of wine at \$8.00 a piece \$ _____

If we were going out, a babysitter at \$10.00 per hour \$ _____

TOTAL: \$ _____

Don't forget the online auction at: **www.ebay.com/lifebridge**

Please RSVP no later than June 17, 2011

We hope you have a wonderful evening!
